

Men's Health Week Goes International

For other events year-round, check the Men's Health Calendar at: www.menshealthweek.org

To add your event, send a message to: MHW@menshealthnetwork.org

Sponsored by the Men's Health Network: 202.543.MHN.1 x 101

Following the lead of the U.S. Congress, health organizations around the world joined together to promote men's health in June 2003. Men's Health Network met with leading health advocacy groups from around the globe at the 2nd International Congress on Men's Health in Vienna, Austria and joined with them to promote International Men's Health Week. A web site has been established - www.menshealthweek.org/imhw/imhw.htm - which provides links to some of the participating organizations.

Events in celebration of National Men's Health Week include (for a complete USA list visit menshealthweek.org):

United States of America 2003:

Governors – Over 45 Governors declare Men's Health Week in their states

Congressional Men's Health Screenings – House – June 10-11 – Senate – June 12

Federal and state health newsletters and websites such as the HHS Weekly Report and the Office of Women's Health web site featured National Men's Health Week and timely health information

Media coverage: CNN, Fox News, USA Weekend, Reuters, Roll Call, Parade, BBC, & hundreds of print and broadcast media worldwide. A Google search for Men's Health Week 2003 found over 1,400 hits

Men's Health Week Goes International

For other events year-round, check the Men's Health Calendar at: www.menshealthweek.org

To add your event, send a message to: MHW@menshealthnetwork.org

Sponsored by the Men's Health Network: 202.543.MHN.1 x 101

Following the lead of the U.S. Congress, health organizations around the world joined together to promote men's health in June 2003. Men's Health Network met with leading health advocacy groups from around the globe at the 2nd International Congress on Men's Health in Vienna, Austria and joined with them to promote International Men's Health Week. A web site has been established - www.menshealthweek.org/imhw/imhw.htm - which provides links to some of the participating organizations.

Events in celebration of National Men's Health Week include (for a complete USA list visit menshealthweek.org):

United States of America 2003:

Governors – Over 45 Governors declare Men's Health Week in their states

Congressional Men's Health Screenings – House – June 10-11 – Senate – June 12

Federal and state health newsletters and websites such as the HHS Weekly Report and the Office of Women's Health web site featured National Men's Health Week and timely health information

Media coverage: CNN, Fox News, USA Weekend, Reuters, Roll Call, Parade, BBC, & hundreds of print and broadcast media worldwide. A Google search for Men's Health Week 2003 found over 1,400 hits
